CAN'T KEEP IT SECRET.

The splendid work of Dr. King's New Life Pills is daily coming to light. No such grand remedy for liver and bowel troubles was ever known before. Thousands bless them for curing constipation, sick headache, biliousness, jaundice and indigestion. Try them. 25c at Clay City Lumber & Stave Co. store.

Ye correspondent visited relatives in Winchester last week, and we really forgot the Times.

Mr. Milton Hutson will start for Missouri in a few days where he anticipates making his future home. While we regret to lose such a good citizen, as Mr. Hutson, we highly commend him to the good people of his new home.

If the green spectacle idea proves to be a success with the gentleman of Iron Mound we would like for him to let us know. We never heard of this plan before, and the

people would like to get rid of some broomsedge over here. So by circulating the result, if successful, Berryman & Elkin might sell several pair of these green spectacles.

LOCKJAW FROM COBWEBS.

Cobwebs put on a cut lately gave a woman lockjaw. Millions know that the best thing to put on a cut is Bucklen's Arnica Salve, the in-

THE VICE OF NAGGING.

Clouds the happiness of the home, but a nagging woman often needs help. She may be so run-down in health that trifles annoy her. If she is melancholy, excitable, troubled with loss of appetite, headache, sleeplessness, constipation or fainting and dizzy spells, she needs Electric Bitters, the most wonderful remedy for ailing women. Thousands of sufferers from female troubles, nervous troubles, backache and weak kidneys have used it and become healthy and happy. Try it. Only 50c. C. C. Lumber & Stave Co. guarantee satisfaction.

There is a man in a Kansas town who keeps an "establishment" for the sale of "charac-

ter" liquor at his bar, and to request wives of drunken husbands to report to him, promising that the latter shall under no circumstances be permitted to indulge their appetite for drink at his saloon, or obtain the material there with which to do it. He pays \$1,425 a year in license fees, and keeps his place closed from Saturday night until Monday morning. He himself is a total abstainer from every kind of liquor.

A Religious Crisis.

Dr. Geo. C. Lorimer, who is regarded as a leading minister of America, under topic of "America's Religious Crisis," says:

"Religion, especially evangelical religion, is today of very low vitality. The attendance at church service is shamefully small. We are attacked by secular writers. They tell us that the ministry is deteriorating; that the churches have lost their influence to the schools and that education alone can encompass all the activities of life. They say that the churches spend more for the superfluities of life than for the gospel, and point with scorn at the ice cream snappers and other cheapening methods of obtaining money to support the gospel. They condemn us for sending missionaries abroad when our people are spiritually starving at home. But, now, these accusations may be in part, they are overdrawn. They must be taken with an allowance. Yet a thoughtful man will not ignore them. He must admit that there

is a crisis in American religious life. As has been said, we will live for money by day and pleasure by night. I have no fear in saying that at the present rate at which we are living, in fifty years we will have no Sabbath."

Monument at Boonesboro.

A movement has been put on foot to erect a monument on the site of the old fort at Boonesboro. The Boonesboro chapter of the Daughters of the American Revolution, will endeavor to raise \$1,500 with which to build a fitting monument to mark this historic spot in our State. Cards have been issued asking the support and contributions of those who are interested. This is the first Kentucky Assembly was held and certainly deserves to be marked that future generations may know the spot whereon Boone built his first fort not from hearsay and tradition but from fitting monument erected upon the spot to the departed pioneers. —Richmond Register.

ARE YOU DEAF? ANY HEAD NOISES?

ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE

by our new invention. Only those born deaf are incurable.

HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS:

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely.

I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would be cured, but the hearing in the affected ear would be lost forever.

I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours,

F. A. WERMAN, 730 S. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupation.

You have good reason to fear an attack of pneumonia, when you have a severe cold, accompanied by pains in the chest or in the back between the shoulders. Get a bottle of Chamberlain's Cough Remedy and use it as directed and it will prevent the threatened attack. Among the tens thousands who have used this Remedy for colds and la-grippe, we have yet to learn of a single case that has resulted in pneumonia, which shows that this remedy is a certain preventative of that dangerous disease. For sale by all dealers in patent medicines.

A Connecticut Yankee who has noticed that personal property easily succeeds in evading taxation, proposes a scheme to stop it. He would let each person go to the public authority and be permitted to estimate his own wealth. That estimate would be accepted as correct without a question. Then when a man dies only so much as he has paid taxes on should go to the heirs, and any amount that has escaped taxation, would go to the State. The plan is ingenious and might prove more equitable than the present system, making personal property bear more of its just burden which now falls on real estate. How it would act as a reality in operation is a problem for future working.

A Printer Greatly Surprised.

"I never was so much surprised in my life, as I was with the results of using Chamberlain's Pain Balm," says Henry T. Crook, pressman of the Asheville (N. C.) Gazette. "I contracted a severe case of rheumatism early last winter by getting my feet wet. I tried several things for it without benefit. One day while looking over the Gazette, I noticed that Pain Balm was positively guaranteed to cure rheumatism, so bought a bottle of it and before using two-thirds of it my rheumatism had taken its flight and I have not had a rheumatic pain since."

Having a Run on Chamberlain's Cough Remedy.

Between the hours of eleven o'clock a. m. and closing time at night on Jan. 25, 1901, A. F. Clark, druggist, Glade Spring, Va., sold twelve bottles of Chamberlain's Cough Remedy. He says: "I never handled a medicine that sold better or gave better satisfaction to my customers." This remedy has been in general use in Virginia for many years, and the people there are well acquainted with its excellent qualities. Many of them have testified to the remarkable cures which it has effected. When you need a good, reliable medicine for a cough or cold, or attack of the grip, use Chamberlain's Cough Remedy and you are certain to be more than pleased with the quick cure which it affords. The above portrait is that of Countess Mogelstud, of Chicago, Ill., whose gratitude for the benefit received from the use of Dr. Miles' Nervine prompted her to make this statement:

"It affords me great pleasure to add my testimony to the very excellent merits of Dr. Miles' Nervine. Although I am past 80 years of age I find it soothes the tired brain, quiets the irritated nerves and induces restful sleep. I never feel contented without a bottle of it in the house." Gratefully yours,
CHRISTIANA MARIA,
Countess Mogelstud.

The almost total absence of birds in the country yards, where they use to flock during the winter for protection and comfort the trees and shrubbery afforded, is noticed this winter of severe, blizzard weather. Red birds and robins, which should be seen in numbers during present conditions, are conspicuously missing. In comparison to past years, they are practically exterminated. With the disappearance of the birds has come an increase of the worm and insect pests which have operated so seriously against the successful growing of fruits and other crops, including wheat, in this section in recent years. The partridges are reported to have perished in large numbers from starvation and exposure—whole coveys are found dead huddled together. Under such conditions the total extinction of the bird species, of such great value on the farms, is only a matter of a few years in this State. The Legislature should take steps to protect the few now left and provide for the extermination of the crows. The latter are, besides a nuisance and utterly worthless, the greatest enemy of bird increase, as they destroy every nest and all the young birds they can get at. Exchange.

THE SPRING DRESS GOODS.

The subject of clothes is never so interesting as when the dainty Spring and Summer fabrics fill the shops. To anticipate in matters of dress is always difficult, as fashion is inclined to be whimsical. The Delineator, however, is singularly successful in this respect, as is indicated in the April number. The dress fabrics which will become most popular, which will become most popular, are illustrated, and all the latest innovations, in weaves and colorings are dwelt upon. In trimmings, Swiss and batiste embroideries will meet with great favor on clothes, etc., will be enhanced through the vast assortment of laces and appliques.

LAXAKOLA

THE GREAT TONIC LAXATIVE

If you have sour stomach, indigestion, biliousness, constipation, bad breath, dizziness, inactive liver, heartburn, kidney troubles, backache, loss of appetite, insomnia, lack of energy, bad blood, blotched or muddy skin, or any symptoms and disorders which tell the story of bad bowels and an impaired digestive system, Laxakola Will Cure You.

It will clean out the bowels, stimulate the liver and kidneys, strengthen the mucous membrane of the stomach, purify your blood and put you "on your feet" again. Your appetite will return, your bowels move regularly, your liver and kidneys cease to trouble you, your skin will clear and freshen and you will feel the old time energy and buoyancy.

Mothers seeking the proper medicine to give their little ones for constipation, diarrhea, colic and similar troubles, will find Laxakola an ideal medicine for children. It keeps their bowels regular without pain or griping, acts as a general tonic, assists nature, aids digestion, relieves restlessness, clears the coated tongue, reduces fever, causes refreshing, restful sleep and makes them well, happy and hearty. Children like it and ask for it.
